GENERATIONAL LEGACY

🚩 WELCOME ATTENDEES ~5 min

We are so glad you are here to have a conversation about generosity. Our hope is to build community and spur one another on to love and good deeds. May this time be a gift to you. Let's begin!

🚩 OPEN WITH PRAYER ~2 min

Invite the Holy Spirit to open hearts, guide conversation, and speak to each person in the room.

Why Attend a JOG?

This experience is designed to be a taste of a Journey of Generosity or JOG. This video explains the ethos of a JOG and how it is meant to be a conversation, not a prescription. It is designed to inspire and spark discussion.

🚩 OPENING DISCUSSION QUESTION 10 min

How would you describe your grandparents? What kind of impact did they have on your life?

After this story, I will ask you, 'What stood out to you?' As you watch, pay close attention to what specifically speaks to you today.

The Tolmie Family

At the age of 70, the Tolmies visited Tanzania and they felt a calling that impacted generations of people after them.

🚩 **DISCUSS THE TOLMIE FAMILY STORY 10 min**

What stood out to you in this story?

Optional: Why do you think a shared mission changed this family so dramatically?
Does your family have a uniting thread that makes a difference in your lives?

🚩 **OPTIONAL PRAYER 1 min**

We pray your purposes in our lives
would be accomplished, O God,
that in this time to come we would somehow be changed
by the work of your Spirit, that you would be active in us,
ever sanctifying our desires and Christ-shaping our hearts.

We give you thanks, O Lord,
for the week that was,
and for the day that is,
and for the morrow that is yet to come,
knowing that
as you have been faithful
so are you faithful,
and so will you be faithful
forever more.

Amen.

🏠 DISCUSS THE WHITE STORY 10 min

What stood out to you in this story?

🏠 READ ALOUD

We hope you have been encouraged today! At Generous Giving and NCF, we believe this is a journey, and it is our desire to walk alongside you and facilitate discussions that inspire you. If you would like to continue the conversation, we have a few opportunities to gather with like minded people to talk more.

Next Steps

1. INVITE ATTENDEES TO A JOURNEY OF GENEROSITY

For a small group gathering, we recommend finding two couples who are already committed to the JOG. Then, during the event, work as a group to find a date to gather and continue the conversation. For a large group gathering, we recommend establishing the JOG dates in advance and inviting attendees.

2. INVITE ATTENDEES TO THE CELEBRATION OF GENEROSITY

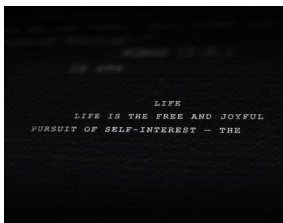

Whether you are purchasing seats in advance or allowing this group to join you, a weekend getaway with like minded believers from around the country can be a beautiful way to continue the conversation.

3. CONNECT WITH YOUR NCF RELATIONSHIP MANAGER AND LOCAL OPPORTUNITIES
