

Generosity is not something God wants *from you*. It is something He wants *for you*.

Money touches nearly every part of our lives. Almost a quarter of Jesus' teachings relate to money and possessions. As we trust God with our finances, we find ourselves drawing closer to Him.

Through honest conversations about generosity, we connect with believers who encourage and challenge us—impacting our marriages, families, communities, and even the world. When we take time away to listen to God, He shapes our hearts—guiding our priorities and clarifying our purpose.

STEP INTO YOUR
Journey
of Generosity

“Next to the day of our salvation, the experience at a JOG was the single greatest change to our understanding of our relationship with Christ and what it means for the rest of our lives. It caused us to completely rethink everything about how we define success, what we aim for, and how we think about things as a family.”

—JOG ATTENDEE

WHAT IS A Journey of Generosity?

A Journey of Generosity is a **one or two-day retreat designed to explore biblical generosity**. We create a conversational experience that includes Scripture, teaching, and inspirational stories led by a trained facilitator. This retreat is an opportunity to focus on the joy of generosity in a pressure-free environment.

 SCRIPTURE

 STORIES

 CONVERSATION

It's *important* that you know:

WE WILL NOT ASK YOU FOR MONEY

We create safe and inspiring environments for people to talk about generosity without any concern that there will be an appeal for funds.

WE WILL NEVER TELL YOU WHERE TO GIVE

We are all on a journey together to discover God's desire for our lives related to generosity. We do not presume to know where God is calling you to invest your time, talent, or treasure. A Journey of Generosity is personal, and we are here to support you.

WE INVITE YOU TO DISCOVER THE JOY OF GIVING

We believe generosity is a spiritual practice—a way of living that God uses to shape our hearts. Experience the joy of the life that is truly life.
