QUESTIONS FOR REFLECTION:

1. Is there something or someone that comes to mind where God might be leading me to be generous? How can I share the opportunity with my kids or grandkids?
2. How can I make myself more available to what God is doing, especially with my kids or grandkids?
3. Are there any one-minute conversations I want to initiate with my kids or grandkids?
4. What are my kids or grandkids passionate about? How can I pour fuel on that fire?
5. What assets do I have (including relationships) that I can use to help capture my kids' or grandkids' hearts?
6. Is there one thing I want to commit to doing this year?
